An enjoyable country ride.

A pleasant 2.7kms ramble along Guppy Road to join the Tutaekuri Riverbank Pathway then onto Awatoto beside the sea. From here you cross 3 bridges all with cycle lanes to the village of Clive. If you require refreshments there is a bakery, River Bar Restaurant and Zepplin Café & Gallery at Clive

Continue on Clive's Main Road - 2kms down you will join the iWay on your right - this ride takes you past the Clive River - through the small settlement of Whakatu - the closure of the freezing works in 1986 cost the region 2000 full-time and seasonal jobs. The Palmerston North-Gisborne Railway Line has the cycle pathway running beside it as you make your way to Hastings. Today the large freezing works buildings and new buildings have become home to a large Business Park - continue on and enjoy the landscape, cross a bridge that was built especially for the cyclist as you make your way directly to Hastings Show Grounds which is home to the Farmers Market every Sunday from 8.00am to 12.30pm

Hastings town center a site to behold in spring and summer lots of hanging baskets. Then to Vidal's Winery & Restaurant a great place for lunch then to The Strawberry Patch which is open all year - summer months treat yourself to fresh strawberries - you can pick your own if you wish. They have ice cream here too!

1kms ride takes you into the village of Havelock North - lock your bikes and explore on foot, it is a small shopping centre with lots of specialtiy shops

3.5kms ride on road pathways passing homes and gardens to the wine growing area of Havelock North. Note: You can take a detour and visit Te Mata Mushrooms and Arataki Honey Visitor Centre

If the sign is out call into Red Barrel Winery then to Black Barn and Te Mata Estate Wineries, Chalk & Cheese Café & Origin Earth Cheese factory shop

A further 2.6kms to Craggy Range Winery - for the experienced rider only, hilly and narrow terrain no pathways.

Note: Afternoon collection at a time and place that suits you best - other than the pathways
